

## Testimonials

“Humble Confidence is a mindset that combines two conflicting human characteristics, so that we can be both cautious and bold in how we approach others”

-John W. Tinghitella, Founder

“The impact of Humble Confidence’s program on my business has been significant. I would recommend these programs to any company looking to inspire their workforce and improve their sales.”

-Nelson Wilner Vice President of Sales and Marketing, Noble Company  
[nwilner@noblecompany.com](mailto:nwilner@noblecompany.com)

“John’s enthusiasm and humor was infectious, but it was the tips and tools he empowered us with that left nearly everyone at our annual company meeting ready to make positive changes. I will recommend John to anyone looking for a dynamic speaker who inspires positive change.”

-Joe Miller President, William F. Miller & Associates Sales Agency

“The Humble Confidence suite of training programs helped my employees communicate and negotiate more effectively. The Humble Confidence sessions have led to an increase in company sales a manager could only dream of!”

-Alexander Paykin JD, President, Option Next  
[Apaykin@optionnext.com](mailto:Apaykin@optionnext.com)

“His lecture series helped our team to communicate more effectively, not only within our company but with customers as well.”

-Rebecca Blum, COO, DScibed, Inc.
